MAKING SCENTS OF ARABIA

In keeping with the traditions of Arabian perfume-making, Amouage presents its special blends, Attar Tribute, Asrar, Homage and Baana. The ingredients are exceptionally concentrated, so much so that oil for a single bottle comes from an entire field of rose petals. When a small drop is applied to the pulse points, the multi-faceted fragrance develops over several hours, making it long-lasting.

Available at Dubai Duty Free: Amouage Attars 12ml each from Dhs265 to Dhs828 (\$73.61 to \$230)
